

**DAIRY ADVISORY TEAMS**

This document contains a collection of possible data your team might use in monitoring progress. You will want to select no more than 5 items that relate most closely to your team goals to monitor in your regular team meetings.

**Advisory Team Meeting Herd Report<sup>1</sup>:**

	SELECTED ITEM	MONTH 1	MONTH 2	MONTH 3	MONTH 4	MONTH 5	MONTH 6	MONTH 7	MONTH 8	MONTH 9	MONTH 10	MONTH 11	MONTH 12	MONTH 13
Day of team meeting														
Lbs milk sold/day (tank wt/# of days)														
Mailbox price/CWT														
Number of cows milked/day														
# Full-time workers														
DHIA rolling herd average														
% Fat (DHIA)														
% Protein (DHIA)														
Somatic cell count														
# cases of mastitis treated														
# cows entering the herd														

<sup>1</sup> This should be a 13-month rolling report. At each meeting drop the month farthest to the left and add the next month to the right.
